MOULD MAKING & INTEGRATED SOLUTIONS

Moliporex, a VANGEST company

*In the business since 1986, known for our **Excellent Quality, Reliability, and Long-lasting Partnership** with our clients.*

From our 3 state of the art factories and mould design centers, with highly skilled and experienced Engineering and Project Management teams, we provide world-class solutions for Prototype moulds and Serial moulds (up to 35 tons).

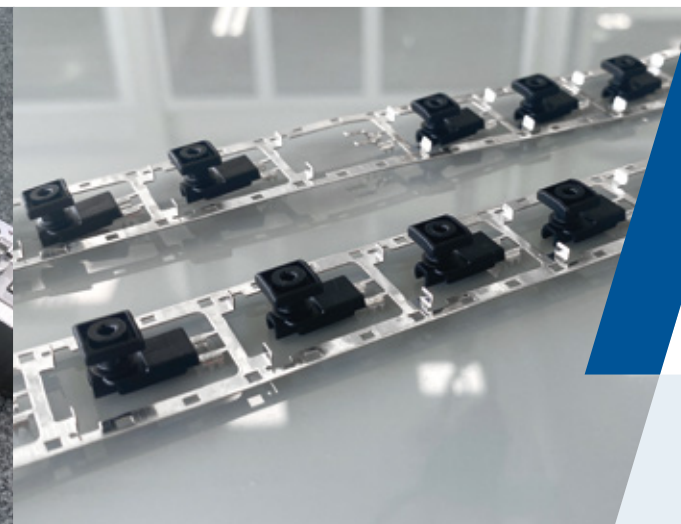

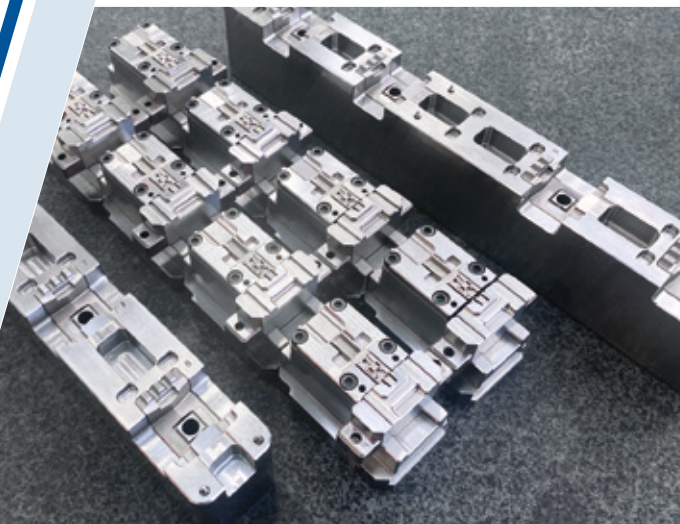

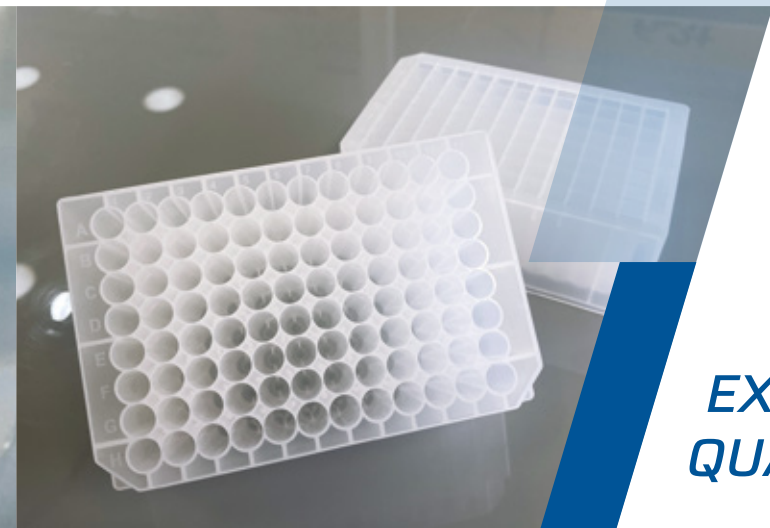

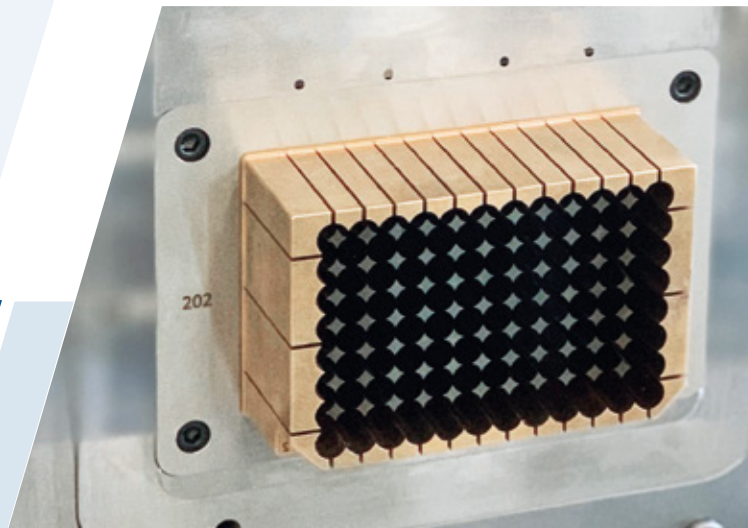

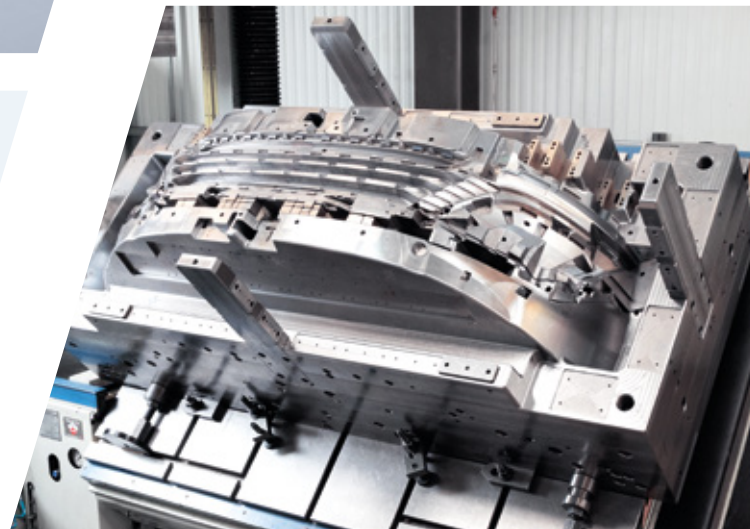

Located in Marinha Grande - Portugal, one of the strongest mould making clusters in Europe, highly dynamic structure of our Group, and with our inhouse testing and validation center, we support a diverse range of complex and large projects in all the key areas of our expertise.
