

# GRUPO SOCEM HEADQUARTERS

## Plastimago

**Production Division** – Marinha Grande, Portugal

## Grupo SOCEM Headquarters

**Tooling & Service Division** – Martingança, Portugal

## Maxioplás

**Production Division** – Pombal, Portugal

## Inotoolding Mexico

**Tooling & Service Division** – Puebla, Mexico

## SOCER Brasil

**Tooling & Service Division** – Joinville, Brazil

## Czech Republic

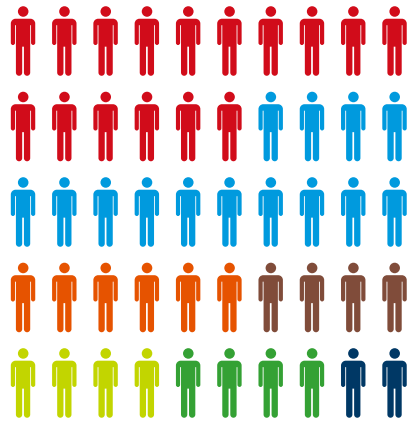

**ACA Advanced Customers Assistance** – Letohrad

## China

**LCC Tooling Support** – Shenzhen / Dongguan, China

## DETAY MOLD

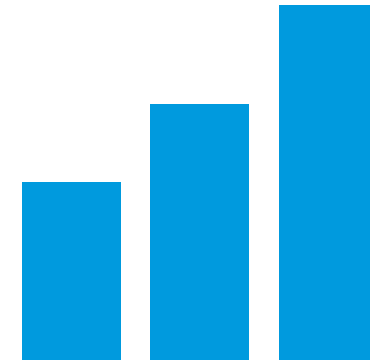

**Tooling & Services** – Basaksehir / Istanbul, Turkey

**600**  
WORKERS

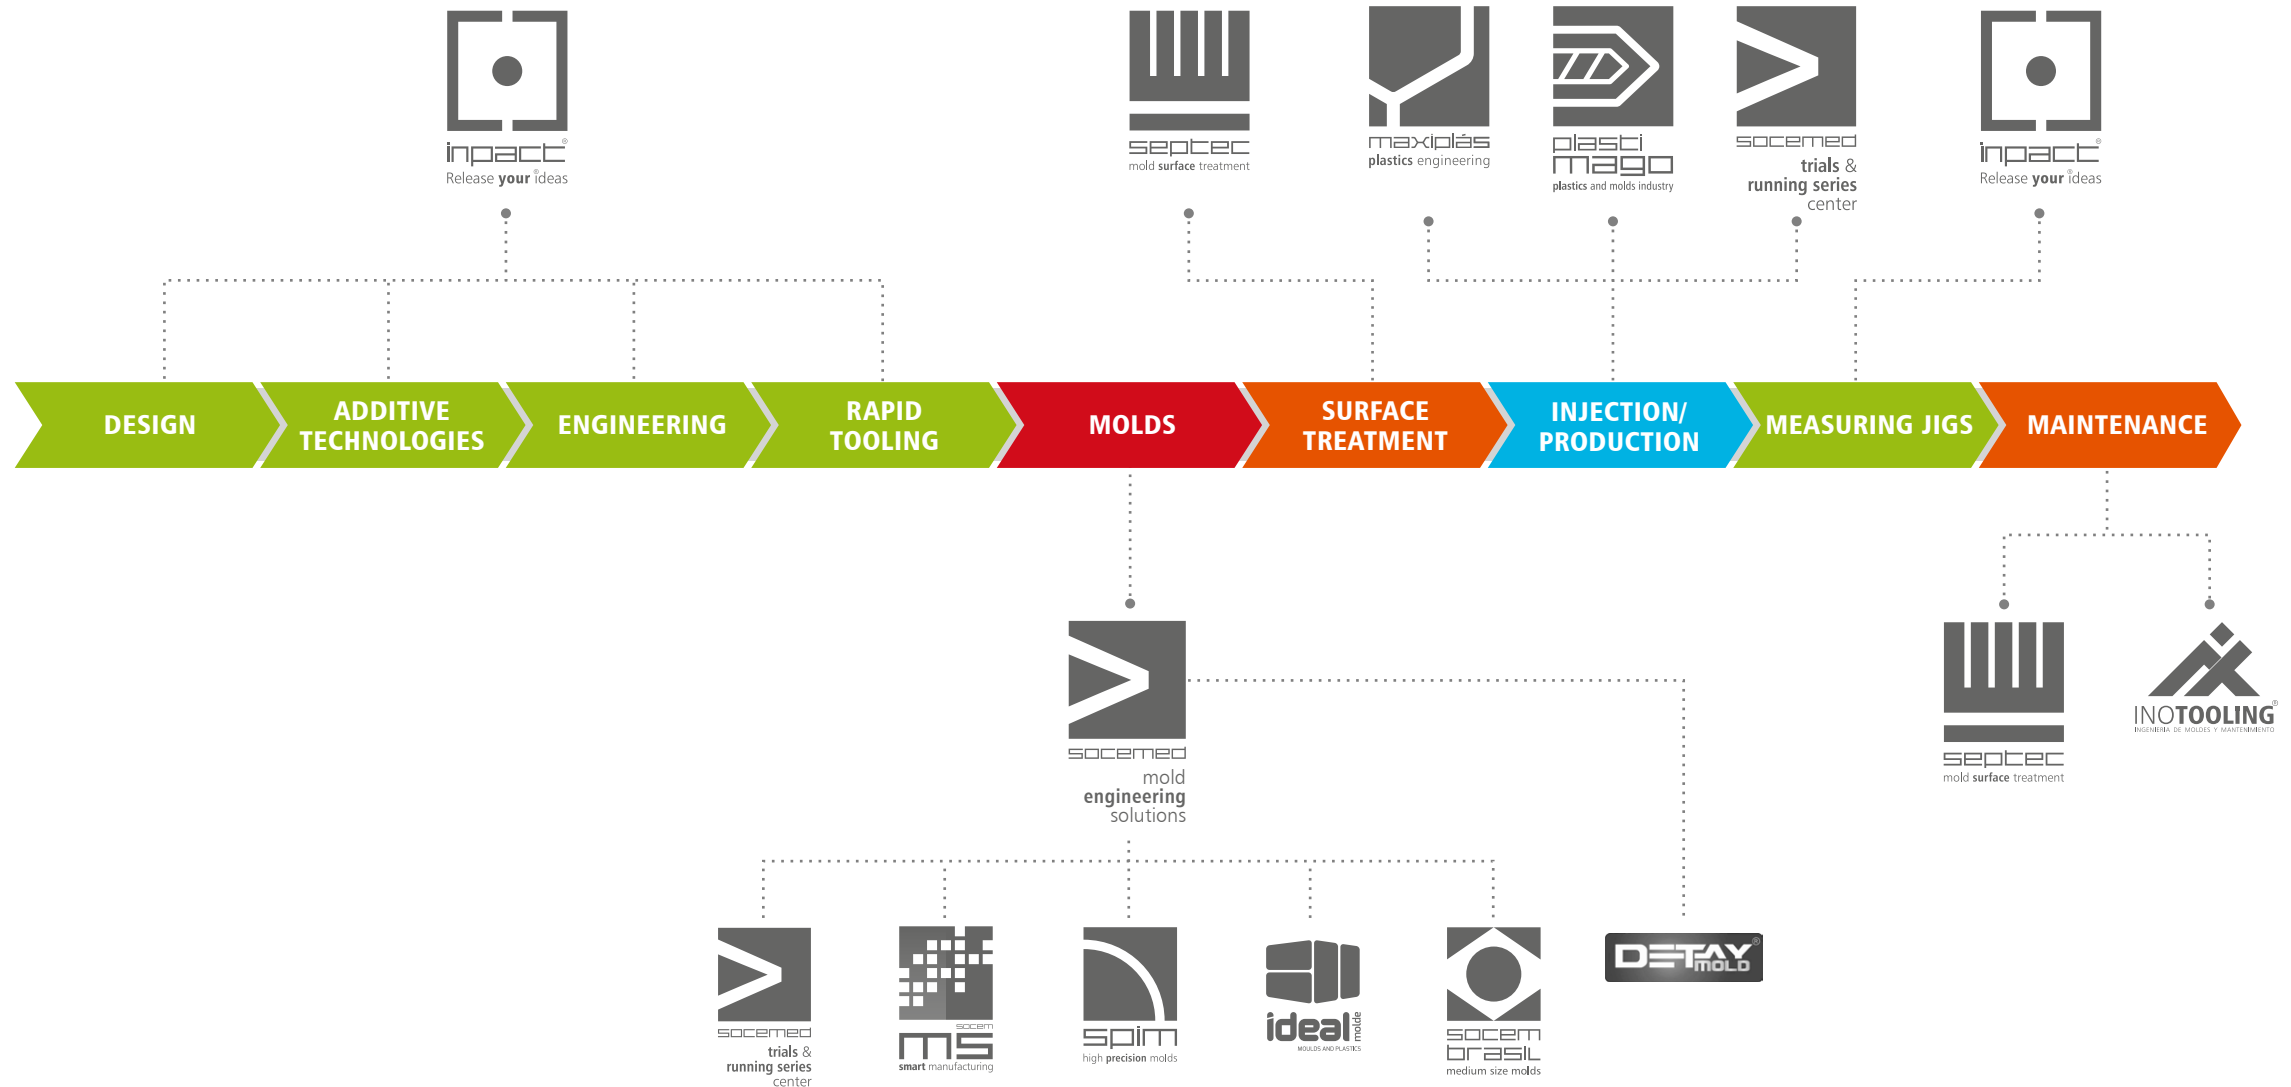

**8373**  
MOLDS MADE

**52 M€**  
2021 BUSINESS TURNOVER

-  ..... Global Solutions
-  ..... Flexible and Dynamic Team
-  ..... Time Factor
-  ..... Customer Driven
-  ..... Optimization and Innovation | Industry 4.0.

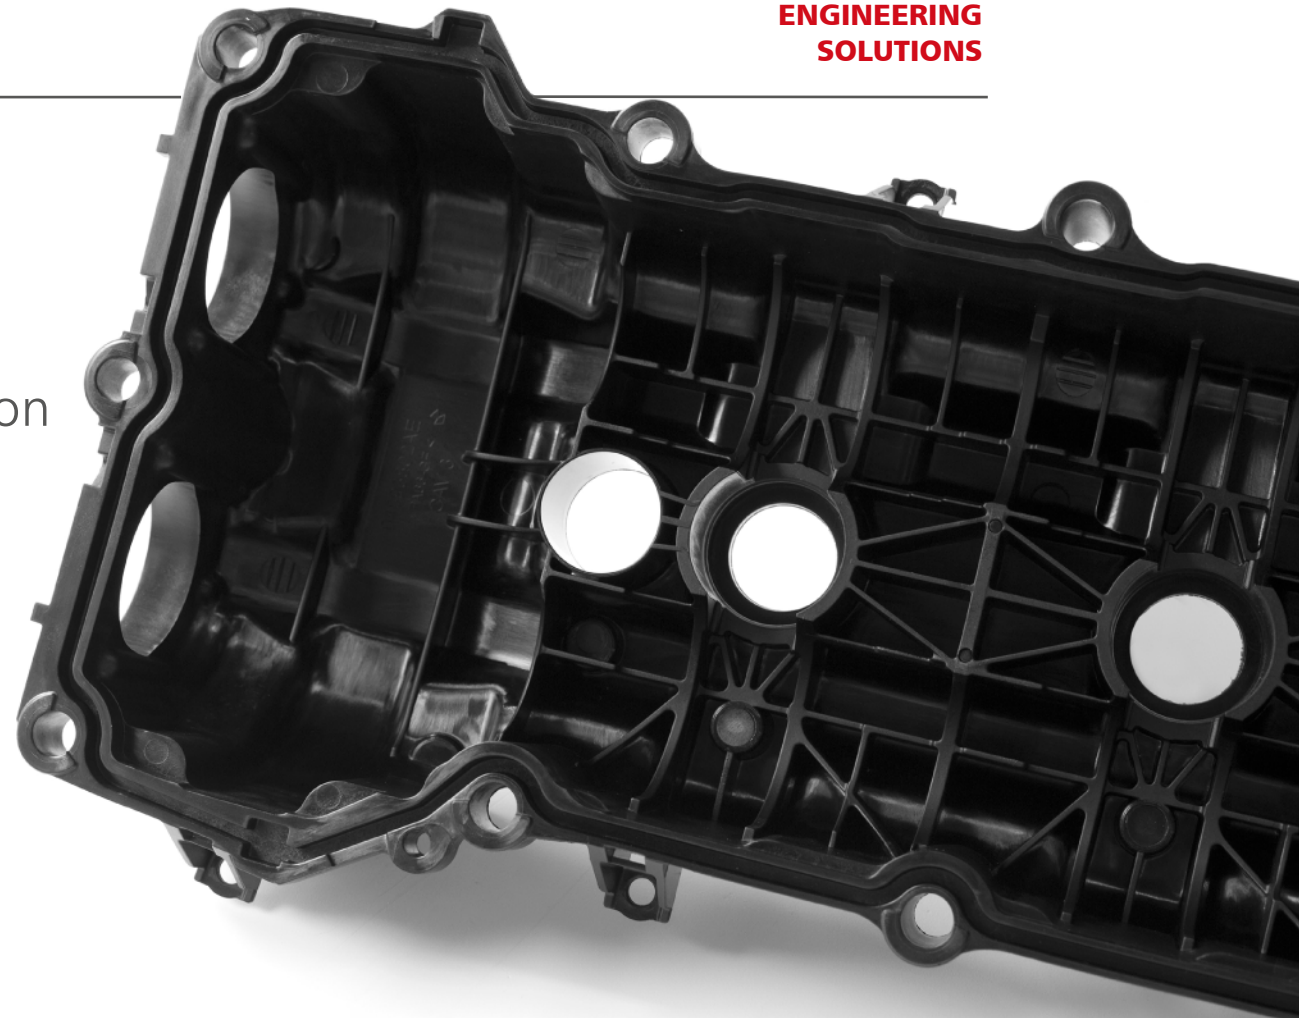

# GRUPO SOCEM KEY COMPETENCIES AND SKILLS

**MOLD  
ENGINEERING  
SOLUTIONS**

Big Scale Projects  
Program Management and Industrialization  
Try-out Center  
Industry 4.0.

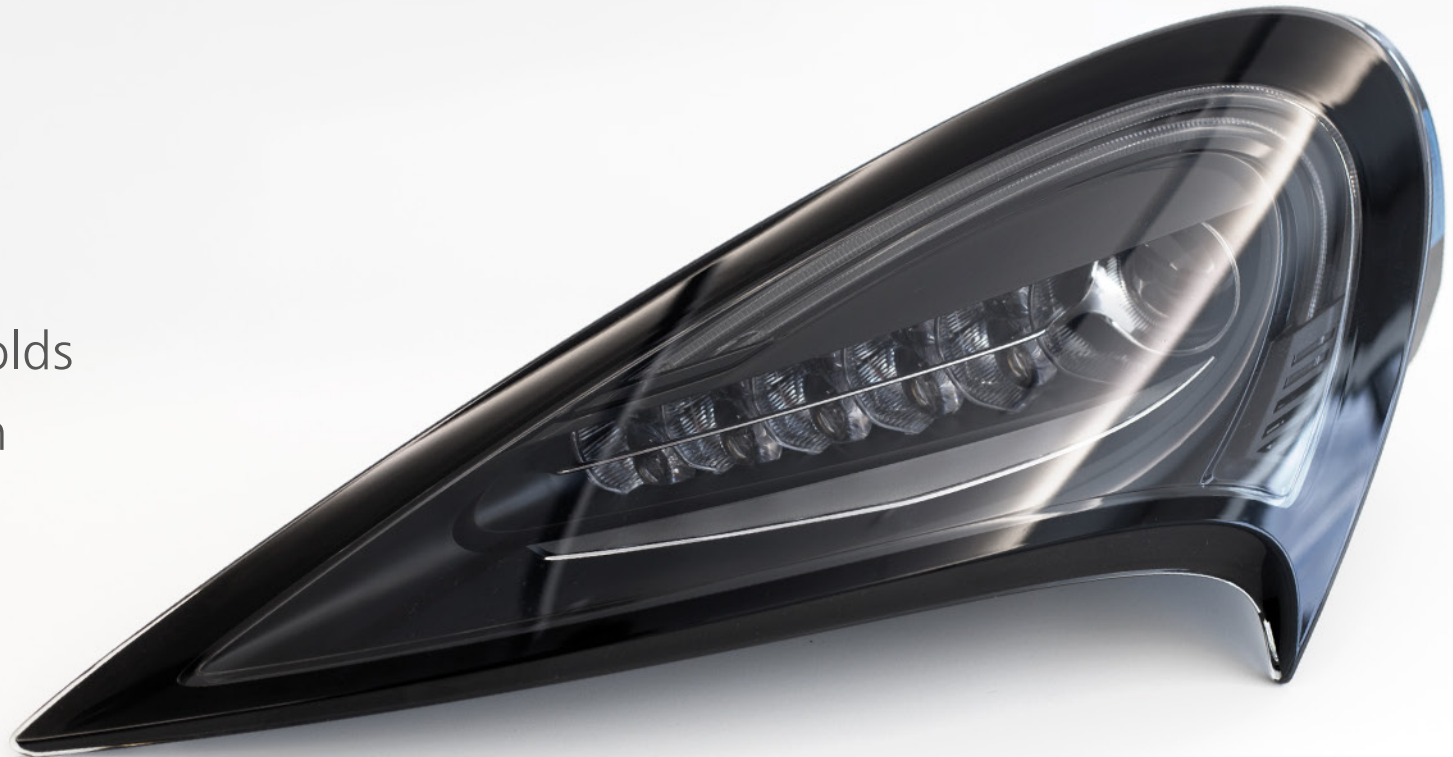

**UP TO 30T**

Multi-K Injection  
Gas Assisted Molds  
Low Pressure Injection Molds  
IMD – In Mold Decoration

**UP TO 3T**  
**UP TO 3T**

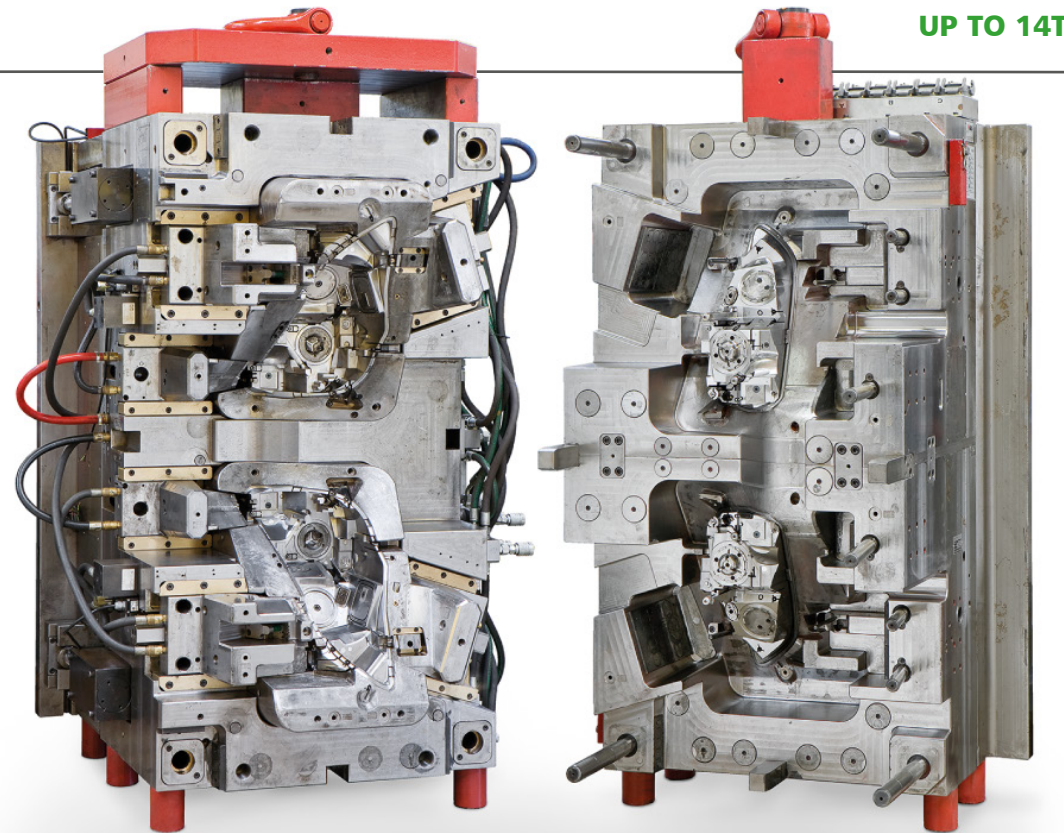

Detail – Our Higher Purpose  
Driven by Precision  
Multi Cavitation  
Thin Wall Molds

Mshot®  
High Performing Hot Runner Systems

Multi-K Injection  
Automotive Lighting  
Low Pressure Injection Molds  
Tool Commissioning

**UP TO 14T**

**INJECTION**

Decorative Technologies  
Technical Parts Injection  
Hot Stamping & Laser Engraving  
Ultrasonic Welding and Assemblies

Certificate IATF 16949:2016  
– International Automotive Task Force

**UP TO 16T  
UP TO 15T**

Preventive and Corrective Maintenance  
Laser Welding and Polishing  
Mechanical and Chemical Engravings  
Chemical Textures  
Engineering Changes

**R&D  
NEW TECHNOLOGIES**

Design for Manufacturing  
Product Development  
Rapid Prototyping  
Additive Technologies  
SLS / SLA / MJP / DMLS  
Prototype Molds  
Measuring and Assembly Jigs
